

# EUROGOMMA

## Our collaboration with BASF AG

**EUROGOMMA** is very proud to be one of the World Users of **BASF AG** polyurethane materials.

On the other side **BASF AG** recognizes to **EUROGOMMA** a great technological ability fulfilling **BASF** expectations. The enclosure of pictures of our products in the official catalogue of **Elastogran** (**BASF** polyurethane producing company) is an evident proof of their esteem in us.

We wish to thank the following companies for providing material for the illustrations:

- Atry - Gollnst, A
- Eurogomma - Bergamo, I**
- Euroroler - Piasano, I
- Internorm - Camme, D
- MAP - Osio, I
- Quartex Chemicals - Chesterfield, GB
- Rema Tip Top Iberica - Barcelona, E
- Seigling - Hannover, D
- SpanSet secutex - Uibach Paimberg, D
- Unipast - Willich, D
- Xero Wheels - Altvoka, I

These pictures can be found in the official **Elastogran's** website <http://www.elastogran.de> at the page:
